Bishop, Osborne and Ricksecker Star for the Victors

Chester High was completely outclassed yesterday by the strong Lansdowne High eleven, which for good reasons is headed for the Delaware county championship. The Oronge and Black went down under an 18: to 0 beating. The game was played at Lansdowne. Lansdowne has not met defeat this season.

The Chester outfit as a whole had not the least resemblance of a foot-Everything was Lonsdowne from the starting whistle and when things might have gone Chester's way something happened to muss up the works.

But not the least bit of credit should be taken from powerful vic-

tors. They had the stuff and what's more they kenw they had it. Lansdowne scored their first touchdown in the second period. A series of line bucks carried the ball from the center of the field to Chester's forty yard line and then a neatly executed forward pass from Bicksecker to Osborne netted twenty

In the fourth period Yakonis re-placed Marion and the Chester offense seemed to buck up. Long car-ried the ball on a reverse for nine yards and Yakonis bit the line for a first down. A pass to Damico netted another first down and it looked as though Chester was due for a score.

In the first quarter Ridley proved to the few hundred cohorts of both teams what the inevitable result would be. Swarthmore's line simply could not withstand the furious onlaught of Ridley's backs. hs fighting spirit was not lacking and Ridley just lacked the punch to carry the ball over when a touchdown was in sight.

It wasn't until the end of the second period when the spectators were treated to their first thrill. Kitchen, a Riddey sub, blocked a Swarhmore kick on the latter's 5-yard line which was recovered by the Garnets beyond the last chalk mark for a safety. From then on the ball was mostly in Ridley's possession.
